

# EMPOWER and Mark Hertz Company Join Forces

EMPOWER NY and Mark Hertz Company are proud to announce a new joint venture which will allow EMPOWER's newly expanded Consulting Services Group to offer violation removal and legal representation services.

Combining Mark Hertz Company's know-how, experience, and expertise with EMPOWER's advanced online system, this new venture promises to deliver real solutions to property managers.

EMPOWER's Consulting Services Group offers ECB Hearing and HPD litigation representation, Negotiation of ECB penalty settlements, and removal of HPD, DOB, ECB, FDNY, DSNY, DOH, DEP, and DOT violations.

"Today's owners and managers have to deal with a lot of information in an increasingly smaller window of time to avoid getting violations or steep penalties" said Mark Hertz, CEO of Mark Hertz Company, "the technology behind EMPOWER helps managers take control of the information like never before possible."

The Consulting Services Group further extends EMPOWER's rich set of tools that go beyond alerting users of violations and hearing dates, and allow them to take actions on them as well. EMPOWER offers a fully integrated way to retain the services of, collaborate with, and send important documents to an expert consultant. Progress of any consultation work can be tracked online in real-time.

"We are very excited about this joint venture" said Jack Wurtzel, CEO of EMPOWER. "By joining forces with Mark Hertz Company, we can now offer an integrated way for our clients to retain the service of perhaps the most qualified and experienced consultants in the industry."
